

Everyone (in year 7-12) is welcome at Gateway Youth! No matter your background or experience with church, we're stoked that you're here. When you join us, you'll be encouraged, hear a positive message, make new friends and have a great time!

We have an awesome team who'll make sure you find your way, have fun and become some of your greatest cheerleaders. We know that it can be hard to come along to a new place so there's a variety of events each term; some have more people which might be your thing, or you might prefer to start off at a quieter night. No matter what you choose we'll do our best to make sure you fit in.

INFO FOR ADULTS

Gateway Youth is part of Gateway Church. We exist to champion young people during the tough teenage years. We'll encourage your young people, teach them about Jesus and the life that He offers, and offer to journey along with your youth.

Gateway Youth is run by a great team of volunteers - all of whom are selected and screened according to our child safety policy. We aim to come alongside parent/-carers and partner with you to support young people so don't be surprised if someone from the team makes contact with you to see how we can best support you and your teens.

There is a ton more info available for you at info.gatewayyouth.online
We also have a group just for our Youth Family and Friends with information tailored just for you: facebook.com/groups/gwyfamandfriends

All our events are drug and alcohol free.

THE BASICS

We have a few different types of nights and options depending on how deep you want to go - but here's the main thing to know: Youth is on every Friday during school terms at Gateway Church (14 Heversham Dve, Seaford) from 7-8:30 unless you want to stay for Equip (details below) which finishes at 9. Sometimes we have a special event on in which case we'll give you heaps of notice - make sure you follow us on socials and you'll always be up to date!
